Directions for Completing the Employee Application

Please use black or blue pen only. Do not abbreviate. Complete all fields, answering each question as accurately as possible. **If you are unsure or have questions about any of the information requested on this form, please contact your Group Administrator.**

1. **Enrollment Information.** Select the reason you are completing this form and check the appropriate box

   • **New Enrollment:**

   Timely Enrollment: This is your first opportunity to enroll after becoming eligible.

   Special Enrollment: You are enrolling within 31 days of a special enrollment event as specified in the federal HIPAA regulations (e.g. birth, adoption, or placement for adoption, marriage, divorce or involuntary loss of other coverage). For Fort Dearborn Life coverage, this provision is only applicable to Dependent Life coverage.

   Late Enrollment for Life and Disability plans: Late enrollees must furnish acceptable evidence of insurability if the employer contributes less than 100%. If the employer contributes 100%, such person's effective date will be a date mutually agreed to by the insurance company and the employer.

   • **Open Enrollment:** The period of time offered on a regular basis during which you can elect to enroll in a specific group health insurance plan or make changes to your current policy - normally 30 days prior to the anniversary date of the program. Under the Voluntary Life plan, employees applying for or increasing coverage after their initial eligibility period can only enroll during the employer's annual enrollment period. Satisfactory evidence of insurability will be required for Voluntary Life coverages in these circumstances.
   For non-Voluntary Life and Disability plans, refer to "Late Enrollment" above. In addition, the following applies to all coverages:

   New Member: You are a newly hired employee who becomes eligible at Open Enrollment or a current employee who elects coverage for the first time.

   Plan Change: You are changing your current coverage.

   Add Dependents: You are adding spouse and/or children to your coverage.

   If known, enter your Group, Section and Identification numbers and effective date. Enter your social security number and date of employment.
   • If this is your initial enrollment, you do not need to enter your Identification number.
   • Your Social Security number is used for internal purposes only.
